DARE TO FLY

The cost is \$20 per child and accompanying adults are \$5.00 .This program is best suited for children who are 8 years and older. It runs approximately 4 hours and the program includes an introduction to basic aerodynamic theory. The participants will design their own glider, as a team, and the instructors will build it, using their "blueprint" and the materials provided. Teams have a competitive *Fly-off Contest*, building team cooperation. The "winning" team will receive a stunt jet and the runner-ups will receive a wacky whirler. There will also be a tour of the museum which includes a ten minute film about NJ's rich aviation heritage, in our Theater. The museum provides the necessary materials, a gift for each participant, instructors and tour guides. The Dare to Fly program requires a minimum of 15 children with a maximum of 50.

Please call for availability.

If you would like to bring your lunch, we have a mess tent located in our courtyard that you can use. If the weather isn't accommodating, you can eat in our theater. Please arrange to take your garbage with you, as we don't have dumpsters on the property.

We also have a souvenir shop that has something for everyone!

Call with a date that looks good for you and we'll schedule your event!
